STATEMENT OF BROTHERHOOD BASKETBALL PURPOSE

The purpose of Brotherhood Basketball is to help boys and young men to have a personal relationship with Jesus Christ and to learn what it means to live the Christian life. Living the Christian life means being more concerned about people and their feelings than winning a basketball game. Brotherhood Basketball should strengthen RA Chapters/Challenger groups, by participating in advancement work, chapter meetings, mission action activities, Bible study, and interest activities such as basketball. Some of the positive influences of Brotherhood basketball include learning good sportsmanship, making new and strong friendships, having fun and character building that comes from being around coaches and counselors.
