

OPERATION SAVE POSTAGE

Many members already receive this monthly mailing by e-mail. This saves money that the church would otherwise spend for postage and gets the calendar and other information to you faster.

If we have an email address for you, you'll have already received the contents of this mailing via e-mail, and will receive it via e-mail every month going forward. If you would prefer to receive the information via a Post Office mailing, please call the church office and let us know. And, if you have not shared your email address with us, please do so by sending an e-mail to publications@gfbccary.org.

More changes? Did you ask for more changes? Here's one...another option to help you receive information in a more timely manner is the ability to receive an email notification each week when *The Enabler* is posted on the church web site. Send an e-mail to publications@gfbccary.org and request to be added to the list.
